

# ST DAVID'S WETTENHALL & ST OSWALD'S WORLESTON

January 2018

THE CROSS COUNTRY PARISHES  
OF  
ACTON, CHURCH MINSHULL,  
WETTENHALL & WORLESTON

**Dear Friends**

**The Gate of the Year**

**“And I said to the man who stood at the gate of the year:**

**‘Give me a light, that I may tread safely into the unknown!’**

**And he replied:**

**“Go out into the darkness and put your hand into the Hand of God.**

**That shall be to you better than light and safer than a known way.’**

**So, I went forth, and finding the Hand of God, trod gladly into the night”**

**Those words, written by Minnie Louise Haskins in 1908 became famous when they were used by King George V in his Christmas message of 1939**

As I write this at the end of November, we are facing uncertainty once more in this country and in the wider world. Almost 18 months after the Brexit referendum thrust us into uncharted waters, we have little idea of what Brexit will actually mean for us day to day. At the moment there are no certainties, and that is unsettling to everyone, not just to business as the news commentators would have us believe.

On the wider global scale, just last night North Korea launched its most powerful ballistic missile yet, causing great anxiety and uncertainty not only in America, but across the world. And in Zimbabwe, the longed-for overthrow of President Mugabe has finally taken place, but what the future holds for Zimbabwe and the surrounding nations, no-one knows.

As we face 2018 with all the hopes and uncertainties which this New Year brings we need to put our hands into the hand of God just as much as those who heard George V's message in 1939. It is, after all, only God who knows the future; only God who can guide us through the uncertainties of this life; only God who can bring hope in the confusions of the world around us.

Only when we put our hands into the hand of God can we face the future with hope. Only when we put our hands into the hands of God can we face the future with certainty.

Yours in the hope which comes from Christ,  
Revd Anne

**Wishing you all  
A Happy, Healthy  
and  
Prosperous  
New Year**

## Childrens Society

Just over £48 was collected for the Children's Society from the Home Collection Boxes. Thank you to everyone who supports the Children's Society in this way. It is greatly appreciated.

## Thank You

The beginning of the new year is a good time to thank everyone who has worked so hard during 2017 to support St. David's in so many unseen, different ways. We are very grateful to those who deliver the magazines month by month, those who provide refreshments at the end of services, those who welcome parishioners, those who put flowers on the altar & in the windows, and those who Hoover, dust & polish with increasing regularity!

We are always grateful for extra help, so if you think you could help in any way, please contact either of the churchwardens who will be very pleased to hear from you.

## Condolences

We extend our deepest sympathy to the family and friends of Eric Birchall. Eric was proud to claim that he was probably the longest-living resident of Cholmondeston & Wettenhall. He loved his farming life at Hawthorn Farm and enjoyed being close enough to visit his grandson James there, during his retirement. He will be greatly missed by his many friends and his very close family. Our thoughts & prayers are with them all at this sad time.

CONDOLENCES also to the family and friends of Ted Berry who farmed for many years at Townsgreen Farm, Wettenhall before retiring to Kelsall.

# Thanks also to

all those who took the time to fill 14 shoeboxes for the Operation Christmas Child project. Christmas will have been very special because of the love & generosity shown by strangers to children across the globe. This year the project was providing for children in Moldova. If you would like to know more about the work they do and how the shoeboxes were joyfully received please have a look on the Operation Christmas Child website.

Please note that the January meeting is slightly later in the month than usual. Times are from 10am-12 noon & everyone is very welcome for as little or as long as they wish.

## Congratulations

Isobel Burnley has been nominated by the Bishop of Chester to receive some of the annual Maundy Money from HM Queen Elizabeth 11, on Maundy Thursday 2018. This splendid occasion will take place in a service at St. George's Chapel Windsor and will be followed by a Lunch and Reception at Windsor Castle.

The tradition of receiving Maundy Money has a long history and is now distributed to those who provide outstanding Christian service to the community. As the Queen will be in her 92nd year, there will be a distribution to 92 men & 92 women of the realm. There is no one better qualified to receive this than Isobel! It is richly deserved and we look forward to hearing all about the event and seeing the actual coins after Easter next year.

# RECIPE

## Epiphany Cake

A classic cake celebrating the 12th night of Epiphany for the last feast. Traditionally a bean or coin was placed into the cake and who ever found it in their slice was king or queen for the night. However, these days dental bills are so high that it is not worth running the risk.

### Ingredients

1kg shop bought puff pastry

For the almond frangipane filling:

125g unsalted butter

100g caster sugar

2 eggs

1 egg yolk

125g ground almonds

25g flour

4 tablespoons Amaretto or Brandy

Preparation Time: 45 minutes (+ 30 minutes chilling)

Cooking Time: 1 hour (+ 1 hour resting time)

Serves: 8–10

Recipe reproduced with the kind permission of  
[www.reallynicerecipes.com](http://www.reallynicerecipes.com)

### Method

Put the butter and sugar into a mixing bowl and beat them together until they are thoroughly combined and light in colour and texture. Then add the eggs.

#### adding the eggs

Mix in the eggs until they are thoroughly combined, then put in the flour and almonds.

#### adding the dry ingredients

Mix the mixture until it is combined, then pour in the Amaretto or brandy and stir that in.

#### the frangipane

Put the frangipane between two sheets of cling-film/plastic-wrap and press it into a disk shape, about 2cm thick. Then put it into the freezer for 30 min.

#### shaping the marzipan

Preheat the oven to 180°C.

Roll out half of the puff to a thickness of about 5mm, put a plate on to it and cut out a disk.

#### rolling out the pastry

Put the disk of pastry onto the plate, then remove the frangipane from the freezer, take off the cling-film/plastic-wrap and place the frangipane in the middle of the disk of pastry on the plate. Brush the band of exposed pastry with some cold water.

#### cutting to size

Roll out the other half of the puff pastry to about 5mm, then put this over the frangipane on the plate, smooth it down, press the two disks of pastry together at the edge and then cut off the excess pastry around the edge of the plate.

#### sealing the pastry

Transfer the whole thing to a lined baking tray and seal the pastry together by crimping it using a butter knife and your fingers.

#### glazing the epiphany cake

Brush the top with milk and, very lightly, cut a pattern into the surface of the pastry (don't go all the way through). Then put the cake into the oven for 1 hour.

Remove the epiphany cake from the oven and allow it to rest for 1 hour before serving.

# Christingle Service

On Advent Sunday the choir from Calveley Academy joined us to sing 'Away in a Manger' and 'It was on a Starry Night'. The Head girl Lucy Rathbone, read the lesson beautifully. Thanks to John & Ann Hignett for the amazing tree and to Angela & Megan for decorating it. Thanks also to Mary Drinkall for the oranges and to all the Christingle makers. The collection from the service has been forwarded to further the work of the Children's Society.

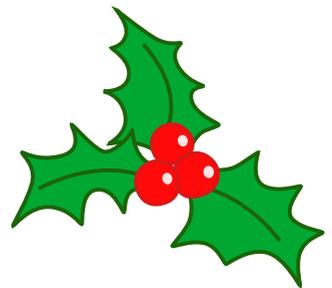

# Calveley School News

Calveley Primary Academy began the festive season in style with our annual Christmas Fair. The event was hugely popular with our children and the community, we even had a visit from the Mayor Penny Butterill & her Consort Doug Butterill. Children and adults were able to purchase crafts, play Christmas games and begin their Christmas shopping. Father Christmas also came to visit and was hugely popular with the children! Thank you to all the parents, staff and volunteers who made the night such a success.

In other news, our Calveley Primary Academy choir attended the Christingle Service at Wettenhall Church. They enjoyed singing a number of Christmas songs and we are very proud of our children for representing the school so well.

Many Thanks  
Kier

## Epiphany

By the time this magazine is being read, all traces of stables, angels, shepherds and donkeys will have been packed away, ready for another year. That trio of wise men or kings, gets put away too. This is a pity as the feast of Epiphany on January 6<sup>th</sup> celebrates the visit of the wise men to the baby Jesus, but it often gets overlooked.

The Prayer Book calls it the Epiphany or Manifestation of Christ to the Gentiles. Look it up and you'll find that 'Epiphany' means 'manifestation' and that means 'showing plainly', and we are mostly, in our parishes, Gentiles and not Jews. The wise men were Gentiles too. In other words we are celebrating that Jesus Christ came for all of us and that right from the start of his earthly life we were included in his love and care. That's surely something to celebrate!

## New Venture

During this term we were delighted to take part in a new venture by the school. Key Stage 2 (Primary pupils for the older readers) came to church and joined in a service of Holy Communion. Some parents and regular members of the congregation came too. They had been trained by the vicar and were

able to bring the bread and the wine to the communion table and to lead us in the prayers. Each child came to receive a blessing. All the children seemed delighted to enjoy this new experience. We hope this will become a regular termly or half-termly event.

**Very many thanks** to all those people who gave of their time to keep St Oswald's as a living part of the community during 2017. Thanks to those who have cleaned, arranged flowers, made coffee, swept the churchyard and paths, made rotas, carried chairs, delivered magazines, and taken part during services. If anyone else would care to join us in 2018, you are more than welcome!

## Advent

On Advent Sunday, the St Christopher Chorale led a carol service which began the season of Advent, of waiting for Christmas. We heard the familiar readings from the Bible which told of Christ's coming and we listened to carols, old and new, sung by the choir. The congregation had

seven carols to sing, and the first Advent candle was lit in the Advent ring, so it was a very active service! Of course we all enjoyed some coffee and cake afterwards and during all the chatter, discovered that the Chorale is looking for new members. If you fancy joining, then contact Philip Crookall. The

choir practices in St Oswald's on Friday evenings.

## Christmas

Our thanks are due to all the people who helped to make the church so beautiful over the Christmas season. We appreciate how long it takes to clean, arrange the flowers, fetch the tree and decorate it, and to ensure that we were ready to welcome parents and friends who have come into church for the school plays and Christingle. The footfall at St Oswald's during December was very high! It is hard to pick out particular names but we extend thanks to Mrs Margaret Davies who gave the Christmas tree to St Oswald's and also one to the school.

# St Oswald's School News

## Year 3 and 4 have been getting busy flower arranging:

The Year 3 and 4 class have had a couple of lovely afternoons with 3 volunteer ladies from St. Bartholmew's Church in Church Minshull who have been teaching the children how to flower arrange and do a spot of sewing. This has been done over three afternoons and has involved designing, creating and evaluating what they have done during the craft sessions.

## St. Oswald's Children In Need 2017:

What an amazing day was had at St. Oswald's for Children in Need at the Pudsey Appeal. We raised a grand total of £228.86 on the day from the children donating a pound to come to school in fancy dress for the day.

This involved Onesies, Pyjamas or just something spotty! A bake sale was held at break time and one of our amazing Year 5 children raised £32.70 single handedly through charitable fundraising throughout the year.

## Art Exhibition

I have attached some lovely photos from our recent art exhibition that we had in school this week. It was the culmination of our Autumn Term Topic across the whole school entitled 'Cities'. Each class took a different city around the world to plan their creative curriculum around: Reception and Nursery chose London, Year 1/2 chose Cape Town, Year 3/4 chose Oslo

and Year 5/6 chose New York. This provided the stimulus for all our subjects this term and the children produced some amazing work. We put it all out on display for the parents to see and enjoy at the Cities Exhibition. We even had Year 6 children dress up as pilots and air stewards and stewardesses and give the parents a passport on their arrival at the exhibition that they then had signed as they visited each city (class). The turn out was amazing and the parents had the chance to write a lovely comment on a luggage label about something that they were proud of with their child's work.
