

# ST DAVID'S WETTENHALL & ST OSWALD'S WORLESTON

January 2019

THE CROSS COUNTRY PARISHES  
OF  
ACTON, CHURCH MINSHULL,  
WETTENHALL & WORLESTON

We all wish each other 'Happy New Year' as the clock strikes on New Year's Eve, and raise a glass, hug people we hardly know, sing loudly, eat too much and feel benevolent towards the whole world. Then in the following few days when life returns to normal, whatever that is, we face the reality of our own domestic situations and our communal and national problems and dilemmas.

I'm writing this in the week when the government will begin voting on the Brexit deals and I've heard people declare that we've never been in such a bad situation, we'll never recover, we'll be short of food and medicines, and the economy will collapse. 'And then' they say, drawing breath, 'look at the rest of the world - the leaders of Russia and the USA, the never ending situation in Syria and the Yemen. A happy New Year? Never.' There will be people reading this who know that the new year will not be especially happy as there may be problems of illness, problems with money or jobs, or wayward children or the many difficulties which come with old age. However, on the other hand there are families who expect a new baby this year, a wedding, or the prospect of an exciting and fulfilling new job, or the relief of retirement!

We all know that the new year will bring us joys and sorrows too, and that in the world beyond our small patch, it will be the same - some problems of war and famine and freedom and economies will be solved and others will linger on. How should Christians face the new year and tackle difficulties, challenges, changes, excitements, delights and wonders and all the things which will happen? Are we any different from anyone else? Only that we know that we can, in faith, ask for, and expect God's love, presence and guidance. Saint Paul knew this very well and his expectations came through experience of God's help during many difficult times. He wrote 'I am certain that nothing can separate us from God's love: neither death nor life, neither angels nor other heavenly rulers or powers, neither the present nor the future, neither the world above nor the world below - there is nothing in all creation that will ever be able to separate us from the love of God which is ours through Jesus Christ our Lord'.

We can begin the new year confident that we are surrounded by God's love and for that we can be thankful.

What better way to start! Happy New Year!

*Isobel*

*Wishing you all  
A happy, healthy &  
prosperous  
New Year*

We welcome Scarlett into the  
family of the Church.

## Concert

On a dark & damp evening in  
December the students of Worleston  
Music School brightened everyone up  
with a delightful concert in aid of St  
David's Church. The retiring collection  
of £70 was gratefully received and  
our sincere thanks go to Andrew &  
Anne Bassey for all their hard work in  
producing such a wonderful event.

## Nativity Play 1961

From the archives a photograph has emerged of St. David's Sunday School Nativity Play in 1961. If you look carefully, you might be able to recognise the two Churchwardens, Reader & other local parishioners!

## Thank You

The beginning of the new year is a good time to thank everyone who has worked so hard during 2018 to support St. David's in so many unseen, different ways. We are very grateful to those who deliver the magazines month by month, those who provide refreshments at the end of services, those who welcome parishioners, those who put flowers on the altar and in the windows, and those who Hoover, dust & polish with increasing regularity!

We are always grateful for extra help, so if you think you could help in any way, please contact either of the churchwardens who will be very pleased to hear from you.

## Christingle

On Advent Sunday the choir from Calveley Academy, along with Mr Torrie & Mrs Spencer, joined us to sing 'It was on a Starry Night' and 'Away in a Manger'. Toby & Magnus read the beginning of St. John's Gospel beautifully. Thanks to John & Ann Hignett for the amazing tree & to Chris, Robert, Nathan, Phillipa and all their helpers for decorating it. Thanks also to Mary Drinkall for the oranges & Emilia & Sophie for preparing the Christingles. The collection of £115 has been forwarded to further the work of the Children's Society.

## Darnhall Brownies

With red noses & sprouting antlers, the Brownies & their leaders took part in a 'Rudolph Run' in aid of St. Luke's Hospice. They raised a fantastic £250. Well done to all of them!

On 21st November we had Julia and Trevor visiting our school again who are the Grandchildren of Pte Edward Griffiths who was a student at St. Oswald's Primary School and who died in WW1.

Julia and Trevor were over in Jerusalem for Armistice Day which is where Pte Griffiths is buried but wanted to come and lay a wreath with our School Council and Ethos Team children once they returned. We held a small service where a wreath was laid, some prayers were read by the children and 2 minutes silence observed.

Our whole school trip to see the production of Wind in the Willows at the New Vic Theatre in Stoke on Tuesday 27th November.

We have had a very busy run up to Christmas at St. Oswald's with not just one but with three Christmas productions: Early Years performing the traditional Nativity, KS1 performing 'The Inn Spectors' and KS2 performing 'Bethlehem the Musical'. All three were fantastic performances and the children have worked so hard to learn all of the songs as well as their lines. The St. Oswald's children have also taken part in the traditional Christingle activities of decorating the Christingle

orange before going across to church for the service in the afternoon. The challenge was

whether the children could go to church and back without eating the Dolly Mixtures off their Christingle! The school has also had a Messy Christmas which is based around Messy Church and a whole day of arts and crafts linked to the Nativity story. The last event was the Carols around the Christmas Tree in the school hall which is such a special way to end the calendar year at school.

Our pre school and Early Years: Owls and Little Owls classes performed the Nativity in St.

Oswald's Church on Monday afternoon to a packed audience of parents and family members. They did an absolutely fabulous job of learning their lines for the speaking and singing.

### Hilda Lankuttis

We were all very sorry to hear of Hilda's death on 10th December. She had spent her long life living in this area - first at Cholmondeston where her parents kept a shop, and then in Worleston. She worked for Johnson's the printers, in Nantwich, and then was caretaker at Worleston School. She and Rudi her husband, suffered the sadness of losing their only child, Rita some years ago. However, even after she lost Rudi too, Hilda was determined to be independent and she was able to stay in her own home until recently. She always had visitors to her home and lovely garden and she appreciated her many friends. She will be greatly missed.

### School Messy Church

Children from KS1 were invited to the first Messy Church in school at the end of November.

Friends from St Bartholomew's, Church Minshull, led by Liz Boote kept the group busy with a story, singing, prayers and craft work, all with the theme of the Christmas story. We hope that they will come again next term.

Thank you

Many thanks to the kind, anonymous donor who has been leaving apples and then potatoes in a box at the churchyard gate for anyone to take.

**Your Generosity is much appreciated. Thank you!**

## **Plough Sunday Service**

Plough Sunday is an ancient tradition dating to the time when the Church owned the only plough in the village.

Marcus Clinton, the new Principal at Reaseheath, is keen to welcome The Cross Country Parishes, Royal Agricultural Benevolent Institute (a farming charity) and the Cheshire Agricultural Chaplaincy to join together with students from Reaseheath College to celebrate Plough Sunday again this year. Donations will be taken for lunch and will go to RABI.

**Please note that there will be plenty of tables at which to sit and eat lunch and it will not be necessary to go outside to access lunch.** The events staff have talked about how much they enjoy this event and have made their own suggestions about how to make this possible.
