

St David's Wettenhall &
St Oswald's Worleston
November 2019

**The Cross Country Parishes
of
Acton, Church Minshull,
Wettenhall & Worleston.**

Dear Friends,

'Memories are made of this.....'

For those of us with long enough memories, these are the words of a popular Dean Martin song from 1967!

November is a month which is filled with memories of various kinds. For the children, Bonfire night with parties & fireworks, is an annual night of fun. However, as we get older we learn that it commemorates the plotting by Guy Fawkes to blow up the Houses of Parliament.

On Remembrance Sunday, and November 11th, we remember the sacrifice made by all those who gave their lives for our freedom, by wearing our poppies and standing in two minutes silence. Special services are held in our churches as we thank God for the selfless people who 'gave their tomorrows for our today'.

And, right at the beginning of the month, the church commemorates All Saints Day and All Souls Day. All Saints reminds us of all who have lived lives of dedication & service to God. It's a time to celebrate the sort of qualities God wants in all of us as we go about our daily lives.

All Souls is when our thoughts are directed to those near & dear to us who have returned to their eternal home in heaven. Lighting a candle as we bring them to mind, helps us to focus on all that was good in their lives. (Details of the special service for this is at the bottom of the page).

Memory is such a special gift. It connects us with people and events which are no longer present to us. When someone we love dies we feel a desperate need to connect our lives with that person. This is where memory comes to our aid. At first, grief may be too raw & painful, but over time, the memories of happy times and events will help heal the hurt, loss & pain. The modern day trend of filling a Memory Box can help us to hold on to special times through photos, letters, music, scents and treasured items.

In our churches we have the opportunity to regularly remember God's great love for all of us through his Son Jesus Christ. At the Communion service we are reminded 'Do this in remembrance of me' as we share in the breaking of bread and the taking of wine. The wonderful thing is that when we remember Him in this way He actually becomes present to us. Not physically present, but nevertheless really present.

Memories are like the visit of a friend and something to cherish. Whatever helps you to remember, I pray that this November, your thoughts are focused on the happy times and the many blessings that friends and family bring throughout our lives. After all, precious memories are made of this.....

Ann

Macmillan Coffee Morning

A big thank you to everyone who supported the Macmillan Coffee Morning in September. The church was filled with every age, from the tiniest of babies to the more mature! Special thanks to the young people of Ashton House Nursery who baked cakes, decorated tables, arranged face painting & modelled playdough. A record total of £600 was raised in little more than two hours!

Darnhall Brownies enjoyed decorating cakes for their Macmillan Coffee Evening! They also spent time playing in the woods, collecting Conkers and watching the cows.

All Is Safely Gathered In

Our Harvest Festival Service was held at the end of September. The church was filled with many wonders of God's beautiful creation. Afterwards we enjoyed a delicious carvery of beef, ham & pork supplied by Grants Butchers and followed with a selection of delicious desserts. Thank you to everyone who decorated the church so beautifully & helped to prepare such a sumptuous supper.

Digital responsibility is everybody's responsibility

However young or old you are, there's always something you can learn – or pass on to others – about digital responsibility.

Visit www.getsafeonline.org for our top tips

#digitalresponsibility

  @getsafeonline

Note from Editor: There is a lot of useful information on this site and following their advice will help you stay safe online. However I have been doing a lot of research into Cyber Security this year and the claim that Generation Z (16 - 24 yr olds), is the age group to take advice from on security is somewhat belied by the Lloyds bank report that says that is the age group falling victim to bank scams most often. Like any advice think before you follow it. **Stay Safe**

Worlestone School News

Dear Parents and Carers,

Namaste! I want to take this opportunity to thank you for all your encouragement and support with my trip to Nepal this summer. My month away was challenging, rewarding and made me fall in love with such a beautiful country.

I went over to Nepal, at the start of August, as part of an LRTT charity team. This charity works to improve sustainability in education, around the world and I feel lucky to have been part of this. We were based in Kathmandu, where we worked with the Nepali charity 'Volunteers Initiative Nepal', whose main aim is to help improve lives across Nepal, through a range of different projects (including school projects).

Our month started by learning about the Nepali school system and how it differed from our own. After this, we got the opportunity to go into schools, meet the head teachers and observe a range of teachers' lessons. These observations then became the basis for our conference planning. We were given one piece of sugar paper and one day to plan a four-day conference made up of 20 training sessions – it was hard work.

The conference itself was a huge success. In pairs we worked alongside 10-15 Nepali teachers in building up their confidence, skills and knowledge. The conference provided opportunities for me to teach, but also to learn so much from the Nepali teachers. Finally, we got the opportunity to return to schools and see how they had put the training into practice, as well as giving them feedback.

Amongst all this, I had the opportunity to become immersed in Nepali life and learn about their culture and traditions. We went to the jungle, the lakes and even got to see Mount Everest.

I have taken so much away from my trip and hope to pass on so much of what I have learnt and the small changes we can make. I hope that in the future I can continue to work with such a kind, caring and welcoming country.

Calveley School News

It's been a busy term here at Calveley Primary Academy. We have welcomed back lots of familiar faces, and lots of new families too!

On the 10th October we celebrated #HelloYellow. All the children dressed in yellow and donated money to support children and young people's mental health. The day was a fantastic success. All classes took part in exciting activities to explore their feelings and mental health.

As part of our harvest collection, our head boys have visited Nantwich food bank to hand in our donations and learn why we donate to people in need. Here is what they thought...

"When we became head boys we were delighted that part of the role included visiting the Nantwich food bank. So, on the 8th of October at 11:20am, we arrived at the food bank to hand in Calveley's donation of food. We were greeted at the door by a volunteer who showed us where to put our food. After we had been fully acquainted we got to work. First, we weighed it all. Then, we wrote the dates on. Finally, we organized all the food into boxes. On the whole we really enjoyed the opportunity to be a part of such an incredible organization helping people in our area."

RECIPE

Stuffed Courgettes

There has been a glut of courgettes this year so this recipe is by courtesy of my friend, Ruth Simpson who, 40 years ago, had a recipe book, '100 Ways with Minced Beef' published by Letts. She doesn't think it's still in print! I have always found it useful.

Serves: 4

Ingredients

6-8 courgettes - depending on size
2 oz/50gm onion, chopped
4 oz/100gm minced beef
2 oz/50gm breadcrumbs
1 teaspoon marjoram
1/2 pint/250 ml cheese sauce
2 oz/50gm grated cheese
salt and pepper to taste
oil for frying

Method

- Boil the courgettes for 5 minutes.
- Cut in half and scoop out the centres.
- Chop the centres and fry with the onion and minced beef.
- Mix the breadcrumbs into this meat mixture, and add seasoning and marjoram.
- Put the mixture into the courgette shells and place in a greased ovenproof dish.
- Spoon over the cheese sauce to cover the tops and sprinkle with grated cheese.
- Bake in a moderate oven :
350F/Mark 4/175C for 20 minutes.
